

# Provider | Online | Search

Access the Coventry Provider Search 24 hours a day to locate a participating provider near you.

- Choose hospitals with the integrated hospital quality comparison tool
- Search based on specific health conditions
- Save selected providers in “My Provider List”
- Interact with maps and driving directions

## Visit [www.chcnebraska.com](http://www.chcnebraska.com)

Choose the **Find a Doctor** option at the top of the home page.

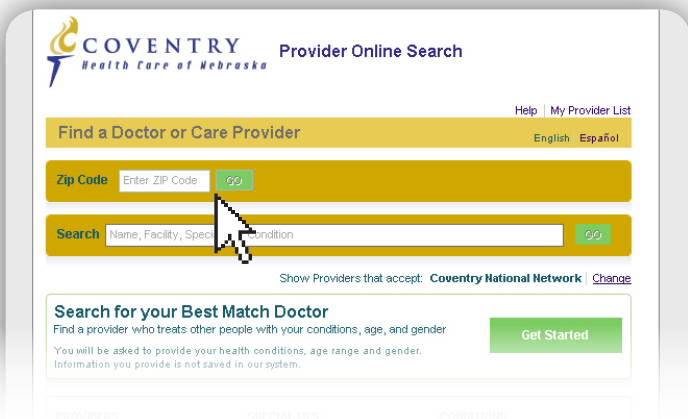

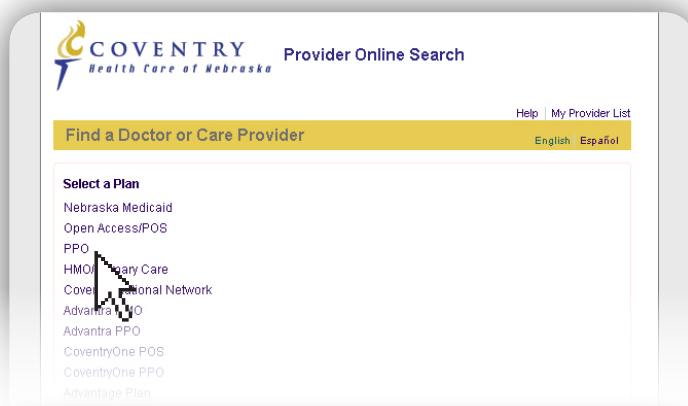

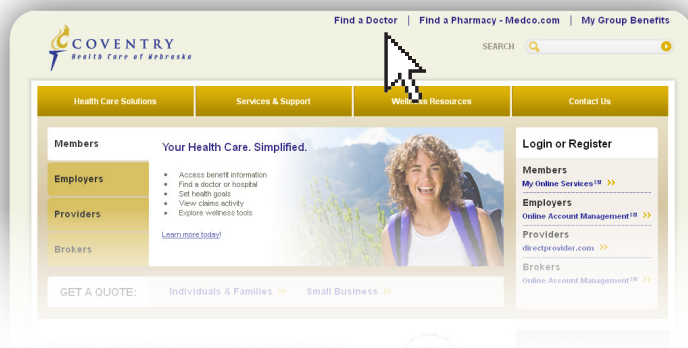

On the next page, look in the middle of the page and click **Enter Provider Search**.

## Select a Plan.

Choose **PPO**.

## Find a Doctor or Care Provider.

Enter your zip code to find a doctor near you. You can also search by name, facility, specialty or condition, or you can use our **best match** tool to find a provider who treats other people of your gender or age group.
